Logistics:

FROM PRAGUE VACLAV HAVEL AIRPORT
Prague's Václav Havel Airport is situated 15 km west of the city centre, and only 5 km from the hotel Galaxie (if you go by taxi or by car).

Coming by taxi (10 minutes):

Ask the taxi driver to take you to Hotel Galaxie, Suchdolské nám. 9 (Suchdol square 9), 165 00 Praha 6 - Suchdol via Horomerice. The price of a taxi from the airport to hotel should not exceed 400 CZK. Recommendation: http://www.citytaxi.cz/en/ (+420 257 257 257)

Coming by public transport (35 minutes):

Right outside the airport Terminal 1 (arrivals from non-Schengen countries) or Terminal 2 (arrivals from Schengen countries) you will find the **bus No. 119**. You can buy your transportation ticket either at the Prague Metropolitan Transport counter, or at the automatic ticket dispenser right next to the bus stop. The ticket costs 32 CZK, and is valid for 90 minutes (you must stamp the ticket in the bus), including any connecting public transport in Prague (buses, trams or metro).

Bus No 119 brings passengers from the Václav Havel airport to the **Veleslavín station, on Metro Line A** (green line). Take the Metro line A (direction Depo Hostivar) and get off at Metro A **station Dejvicka** (2nd stop from Veleslavin). At Dejvicka, you transfer to **bus No. 107 or 147** in direction Suchdol. Get off at the bus stop **Internacionalni**, which is located right in front of the hotel. The stop is announced on the bus public address system and you can also read it on the digital display. The ride by bus from Dejvicka takes 10 minutes.
